JOURNAL OF MOUNTAIN AGRICULTURE ON THE BALKANS
ISSN 1311-0489 (print); ISSN 2367-8364 (Online) is a bilingual journal
issued six times a year by the Research Institute of Mountain
Stockbreeding and Agriculture, Troyan. Its scope includes basic and
applied researches relevant to agriculture in the mountain areas. The
Journal publishes papers and short communications allocated in several
basic sections such as Stockbreeding, Forage Production and
Grassland Management, Perennial Plants and General Agriculture.
